CONNECT GROUP QUESTIONS

1. Christians often say, "Christianity is not a religion. It's a relationship." How would you explain what you think they (or maybe you) mean?
2. Up until now, has your religious or church experience been characterized more by rules or by freedom? Explain.
3. Read Hebrews 10:1-18 (The NLT translation is easiest to read). What stands out as you read this? How does this compare to your past experiences with religion and/or church?
4. Jon said, "We can stop trying to be religious and confidently accept and enjoy God's relationship." In what way(s) do you think you have tried to be 'religious'? How can you begin to simply accept and enjoy God's relationship through Jesus?
