

Episode 8: Family Drama || May 10, 2020

Main Points (Ephesians 6 & Proverbs 22:6)

Nothing tests a family like difficulty and adversity

Submission- Giving up all of me for your good.

YOU > ME = SUBMISSION

In God's kingdom, more authority always means more responsibility.

The goal for a Jesus Following family is everyone submitting themselves for everyone else.

Obedience is trust.

Obedience is an action... honor is an attitude.

Learning to trust your Heavenly Father makes your life better and you better at life.

The family that submits to one another enjoys one another.
