Pt 3: Show Up || Episode 28 || September 27, 2020

Main Points

A faith that isn't used, isn't grown.

Real faith is developed in the real world.

Following Jesus means you are the someone who needs to do something.

God asks us to do what we can't do so that he can show us what he can do.

God usually chooses to show love to people through other people.

When we give Jesus what we have he makes it more than enough.

If we want to see God show up we have to show up with what we have.

Step One- Pray: "Father, what do you want me to do with what I have?"

Step Two- Listen

Step Three- Show up

Real faith is developed when we see the real God really use us in the real world.
