Main Points

Our personal preferences have blinded us to our shared purpose.

People who place a shared purpose above their personal preferences can change the world.

Because Jesus has authority over everything he has a purpose for everyone.

The purpose of Jesus Followers is to reproduce followers of Jesus on purpose.

We've made Following Jesus about a preferred weekly event not a life of shared purpose

The new future desperately needs Jf's who choose to make their life about God's revolution.
