Dear friends, let us continue to love one another, for love comes from God. Anyone who oves is a child of God and knows God. But anyone who does not love does not know God, or God is love.

Message Passage

God showed how much he loved us by sending his one and only Son into the world so that ve might have eternal life through him. This is real love–not that we loved God, but that he oved us and sent his Son as a sacrifice to take away our sins.

Dear friends, since God loved us that much, we surely ought to love each other. No one has ever seen God. But if we love each other, God lives in us, and his love is brought to full expression in us.
