TREATS

for a neighbor/coworker

Think of a neighbor or your coworker. Make them a treat, or buy one! A plate of cookies, a bottle of wine, a coffee... for no real reason other than to just be generous! You can even keep it anonymous.

WISHLIST

gifts for CASA kids

CASA of Marion County has a wishlist on Amazon. Make a foster kids’ Christmas special and send a gift using their Amazon wishlist. Find out more about their work on our Xmas page.

GIFT CARD

hidden in a cart

While you’re doing your Christmas shopping, buy a gift card, walk around the store, and sneak it into a shopping cart of someone nearby! God loves to surprise his kids, so we can practice that too!

COFFEE

“Pay it Backwards”

If you’re at a drive-thru, offer to pay for the person behind you. It might be coffee. But it could also be a cheeseburger or macho burrito! What a fun surprise when they arrive to pay, as you drive happily away!
